

Participants Guidelines

1. Theme Wonder Selection [30 minutes]

- Upon starting, you have **30 minutes** to read and select your Theme Wonder[s].
- You may select **one or multiple Theme Wonders**, depending on what inspires you.
- Fill out the **Theme Wonder Selection Form** to lock in your choice[s].
- Only after submitting the form can you begin development.
- **The use of AI tools and internet browsing is strictly prohibited during this section !!!**

2. Development Phase

- Use your chosen Theme Wonder[s] as the **lens for your project**.
- Creativity is encouraged, projects can explore novel ways of expressing ideas.
- Participants **may use AI tools** to assist with coding, research, design, or any part of the development process.

3. Final Submission

- Maintain a **Github repository[Public]** for your project and submit the **repository link** for final evaluation.
- Ensure your repository is organized, and **accessible to the judges**.
- If desired, you can **upload photos or a short video** of your project to **Google Drive** and share the link *[This is optional]*.

4. Judging Relevance

Your chosen **Theme Wonder[s]** will guide how your project is evaluated:

- **Idea Originality & Theme Relevance** – Cat 1 & 2: How unique your idea is and how well it fits your chosen theme.
- **Theme Relevance & Product Value** – Cat 3: How clearly your project reflects the theme and its usefulness.
- **Presentation & Explanation** – All categories: How clearly and creatively you explain your work and its connection to the theme.

Tip: Choose your Theme Wonder[s] wisely, your selection affects how judges see your idea, relevance, and creativity.

Important Notes

- The **Theme Wonders** are riddles, think critically and reflectively before choosing.
- There is **no wrong choice**, but your theme selection will shape the way you approach the challenge.
- Team Collaboration and discussion are encouraged during the theme selection phase.
- Keep an open mind, the challenge rewards exploration, imagination, and risk-taking.
